

# Duffield Christmas Street Map

Following on from last year's success, Duffield residents have once again lit up the village this Christmas-time with over fifty spectacular window and tree displays. All windows and trees have also been plotted on an interactive map, available at [www.duffieldvillage.co.uk/duffield-christmas-streets](http://www.duffieldvillage.co.uk/duffield-christmas-streets). Many thanks to all who have contributed and helped spread a little Christmas positivity and joy throughout our village.
